SWEET DREAMS ARE MADE OF THIS...

On Saturday, January 21, Arielle Milburn, Sarah Kiecover and Mr. Klasna were able to be on hand when the pillows were delivered to the Women and Family Shelter (Olivia Bochy was out of town and unable to attend). In all, Arielle, Sarah and Olivia raised enough money in their Two Roads Project to purchase 281 pillows for the shelter. They helped to unload a few of the boxes and then distribute some of the pillows to very appreciative tenants of the shelter. Sheila Cole, the shelter's Community Volunteer Coordinator, was on hand as well as the shelter's director. They were most grateful for the all that the girls did. Their efforts helped make a difference in people's lives that day and they represented their school very well. Congratulations Arielle, Sarah and Olivia! You all did awesome!
