## K-5 Library

Summer is here, but your child can continue with their reading success! Research shows that children can lose up to three reading levels over the summer if they do not continue to practice reading. The Billings Public Library offers a free Summer Reading program to residents of Yellowstone County. This program offers story time, guest speakers, crafts, and prizes. Barnes and Noble also offers a similar program with free books as incentives. For more information please visit:  
<http://billings.lib.mt.us>

Don't forget that your child can also read on **Big Universe** over the summer.

## Music Education K-5

What a great end to our musical year! Third grade's "Go West" musical was a rip-roarin' good time!. Fourth grade's "Thwacked" musical was a huge success! The Kindergarten musicals "Three Piggy Opera" and "Three Nanny Goats" were so fun! And finally, the Fifth-Grade band and Lyric Pride Choir was outstanding!! This spring - all of our students have been singing circle/cooperative games, learning to read rhythms and notes, singing silly summer songs.

Check out my website:
